\* As of the May 2007 report, the decline category has been broken out into declined and declined/waivered, and the continue category has been broken out into continued and continued/waivered. These categories are more definitive and will ensure that TDOC and BOPF reported statistics are more consistent. Data for this breakout is not available prior to FY 2005-2006.

Parole statistics are incomplete because all data are not received by TDOC immediately after inmates are paroled. Therefore, the numbers for any given month may be different from the previous month's report.

# **FEMALE FELON POPULATION UPDATE-USER'S GUIDE**

## **Incarcerated Population**

**TDOC:** Felons sentenced to Tennessee Department of Correction custody and housed specifically in TDOC institutions.

**TDOC Backup:** Felons sentenced to TDOC custody and held in local jails while awaiting transfer to a TDOC institution.

**Locally Sentenced:** Convicted felons sentenced to serve their time in a local jail. As felony offenders, these persons are under TDOC jurisdiction.

## **Admissions**

**New Commits:** Refers to any person convicted of a felony sentenced to TDOC, but who is not on probation or parole. This may include persons who had prior incarcerations.

**Violators Returned:** Refers to commitment of felons on technical violations of the conditions of their parole or probation, or community correction terms.

## **Releases**

**Parole:** Felons originally sentenced to an incarceration period and released to serve the remainder of their sentence under supervision.

**Probation-Community Correction:** Usually non-violent felons sentenced to serve a split sentence; a short jail or prison term and the remainder under state supervision.

## **General Notes**

**Backup:** All offenders sentenced to TDOC custody are counted as admissions. Some offenders are held in backup at a local jail while awaiting transfer to a TDOC facility. This is due to lack of room for all offenders. Since offenders who are in backup could be released for a number of reasons before being transferred to TDOC, they will only be counted as backup when they are released.
